

Ted Stevens has a 100% voting record on gun issues. He has served on the NRA Board of Directors, was named NRA Man of the Year, and in 1995, the Citizens Committee for the Right to Keep and Bear Arms named him Gun Rights Defender of the Year.

“Law abiding gun owners have no better friend than Senator Ted Stevens.”

Please beware of dishonest, self-serving, last minute smear attacks by an opponent of Senator Stevens.

The truth is...

"Ted Stevens' record on gun issues is decades long, unblemished and beyond question. He's not just a supporter, he's a leader -- he is perhaps the most effective advocate for the Second Amendment in the Senate today."

--James Jay Baker
*former Executive Director
NRA Institute for Legislative Action
August 21, 1996*
